

## Visit the House of the Brown Bear of the Pyrenees

In the House of the Brown Bear, your weight and height can be compared with his, you can hibernate with him in his lair, feed him according to his tastes and learn how to distinguish his footprints, in a very interactive and funny way!

You will also know why and how was reintroduced the brown bear in the Pyrenees, its habitat, the problems of coexistence and how they were solved.

## Organizer

### Fundación Oso Pardo

Since its creation in 1992, the Brown Bear Foundation (Fundación Oso Pardo - FOP) has been enhancing its geographic action -which now extends to almost the whole Cantabrian Mountains and the Pyrenees- as well as the magnitude and contents of its conservation initiatives and projects.

Its tasks involve conservation and restoration of highly praised habitats for the species, monitoring of the bear population, research related to management and fight against poaching, and environmental training and education.
