

In search of treasure!

Stay in camping grounds right in the countryside and discover Geocaching, a familiar and funny way to exercise your mind and body.

You will only have some sense of adventure and the right coordinates to find the treasure hidden in the middle of nature.

Additional information:

Option of accommodation in a wooden bungalow, a tent or a caravan of your own.

Calendar: The activity can be done all year round. The campsite is opened during all the high season and weekends during the low season

Price: Please check

Location: Aigüestortes Camping Resort
