

Rediscover the unknown corners of the Valls d'Àneu

Rediscover the unknown corners of the Valls d'Àneu and the surrounding Parks on foot: The National Park and the Natural Park.

Surely you already know the area well enough. Otherwise, we suggest some itineraries and activities for each day.

When you return, how about some traditional home-cooked menus on the terrace, a walk through the mountain villages or simply the joy that emerges from the village of Esterri d'Àneu?

By the way, you are welcome to join the nature photography contest that we hold every season! Let us know your favorite spots!

Additional information:

Guests should stay in a hostel or a hotel, half board or full board.

Hey, why not bring the bicycles, too? Do not worry, they will be stored safely and there are many itineraries (uphill, but also in flat areas).

Hotel-Hostal Vall d'Àneu

Since 1991, Hostal Vall d'Àneu welcomes you to its historical building, put up by a brave antecessor in the most beautiful spot of Esterri d'Àneu –at his discretion. Nowadays, Hotel Valls d'Àneu is also available and just in front of the other one. Ah! And our cuisine is known for its simplicity and the typical taste of the Pyrenees cuisine.
